Burnett County Snapshot

Released August 2006

County Employment Overview - 4th Qtr. 2005

Below are the county's most common occupations based upon their employment. Under each occupation are the industries that, based on statewide employer staffing patterns, (estimated total number of jobs), employ the most people in the occupation. Next to each industry is the largest county employer that may employ people in that occupation. (Note: An * before an employer's name indicates that the employer has multiple locations or is counted in multiple industries but chose not to break out this information.)

1 Cashiers
